

## **Community Outreach and Educational Engagement Programs for Sustainable Social Development**

CSPU actively offers, manages, and delivers various outreach projects in education, health, community engagement, creative arts, preschool pedagogy, civic empowerment, and youth awareness. These include festivals, open-air classes, seminars, forums, and innovative educational models integrated into the local community.

Individual Education – Foundation of Professionalism: A showcase event by the Psychology department focused on individualized training and professional development, reaching 1st and 2nd-year students. This demonstrates the university's effort in offering specialized educational support. <https://cspu.uz/yangilik/individual-talim-kasbiy-professionalizm-asosi>

“Kamalak-ART” Children’s Creativity Festival: A creative festival for school children (grades up to 11), featuring competitions in painting, sculpture, graphic and applied arts, promoting arts education and community engagement. <https://cspu.uz/yangilik/kamalak-art-bolalar-ijodiyoti-festivali-otkazildi>

“Open-Air School” Community Initiative: In partnership with Bekobod city administration, the university organized outdoor lessons under the sky, an initiative aimed at combining education with community integration. <https://cspu.uz/yangilik/ochiq-osmon-ostidagi-maktab-barchani-birlashtirdi>

Neighborhood Leadership Seminar (“Mahalla Yettiligi”): A seminar targeting mahalla leaders to discuss current capabilities and expected outcomes, offered consulting and structured guidance to local community authorities. <https://cspu.uz/yangilik/mahalla-yettiligi-mavjud-imkoniyatlar-va-kutilayotgan-natijalar>

Youth Awareness Campaign: An informational event aimed at protecting youth from extremist, terrorist, and proselytizing ideologies, boosting their resilience through awareness and media literacy training. <https://cspu.uz/yangilik/yoshlarni-xabardor-qilaylik>

Youth Forum: Anti-Drug Initiative: A forum titled “Youth United Against Drug Addiction,” attended by the university’s rector, promoting awareness about the dangers of narcotics and psychological well-being. <https://cspu.uz/yangilik/gyohvandlikka-qarshi-immunitetni-shakllantirishga-qaratilgan-forum-otkazildi>

Creative Approach in Preschool Education: The Faculty of Pre-School Education introduced creative teaching methods, demonstrating outreach into early childhood sectors. <https://cspu.uz/yangilik/maktabgacha-talim-fakulteti-yoshlaridan-kreativ-yondashuv>

Innovation Through Active Participation: Advocacy for proactive engagement, referencing new Constitutional rights and self-governance models, promoting civic education and student empowerment. <https://cspu.uz/yangilik/faollik-tufayli-ulkan-maralarni-zabt-eta-olamiz>

Innovation Cluster – “Open-Air School” Project: An earlier mention (2021) of the “Open-Air School” as part of an innovative education cluster in collaboration with local government. <https://cspu.uz/yangilik/innovatsion-talim-klasteri-ochiq-osmon-ostidagi-maktab-haqida-eshitganmisiz>
